Thanksgiving

My favorite holiday is Thanksgiving. I like Thanksgiving because it is a time to be thankful.

Every year, my family and I have a big dinner. We eat turkey, stuffing, and pumpkin pie. Before we eat, we say what we are thankful for. I am thankful for my family, my friends, and my home.

We also watch a parade on TV. There are big balloons and floats. It is very exciting.

Thanksgiving is special because it reminds me to appreciate what I have. It is a day of gratitude and happiness.
