

# ROCKET MAN – ELTON JOHN

## a. Listen and complete

She packed my \_\_\_\_\_ last night pre-flight  
Zero hour 9:00 \_\_\_\_\_  
And I'm gonna be \_\_\_\_\_  
As a \_\_\_\_\_ by then  
I miss the Earth so much I miss my \_\_\_\_\_  
It's lonely out in \_\_\_\_\_  
On such a timeless \_\_\_\_\_

## b. Order the lines

I'm a rocket man  
'Til touchdown brings me 'round again to find  
Oh, no, no, no  
And I think it's gonna be a long, long time  
I'm not the man they think I am at home  
Rocket man, burning out his fuse up here alone

## c. Listen and choose the correct word

Mars ain't the kind of place to **raise/praise** your kids  
In fact it's cold as **hell/ well**  
And there's no one there to raise **they/ them**  
If **you/ we** did  
And all this science  
I **don't/ didn't** understand  
It's just my job **three/ five** days a week  
A rocket man  
A rocket man
