The present perfect (1)

Present perfect affirmative and negative

	Affirmative	Short form	Negative
I/you/we/you/they	have finished	've finished	haven't finished
he/she/it	has finished	's finished	hasn't finished

We use the present perfect to talk about something that happened very recently.

I've sent you a message.
We've finished our homework.

We also use the present perfect to talk about an action in the past that is still true now.

It's very clean in here Yes, Amy's tidied up!

We normally use the short form, especially in conversation.

We form the present perfect with **has** or **have** + past participle.

In many cases, the past participle (**finished**) is the same as the past simple form. However, many verbs have irregular past participle forms, e.g. **do → done**, **have → had**.
There is a list at the back of this book on page 80.
