

There's a moment  
In your \_\_\_\_\_ when  
When the fire takes over  
\_\_\_\_\_ is running  
Heart is pumping  
As the battle gets \_\_\_\_\_  
They can say what they \_\_\_\_\_ now  
Cause we'll be screaming out

We can be \_\_\_\_\_ everywhere we go  
We can have \_\_\_\_\_ that we ever want  
Swinging like Ali, knocking out \_\_\_\_\_  
Standing on top like a \_\_\_\_\_  
Keep your silver, give me that gold  
You will remember \_\_\_\_\_ I say  
We can be heroes everywhere we \_\_\_\_\_  
Keeping us down is impossible  
Cause we're \_\_\_\_\_

Oh woah, we're unstoppable  
Oh woah, we're unstoppable

\_\_\_\_\_ spotlight  
Every sound bite  
Everybody who gave up  
Is just a fuel for  
Wanting it \_\_\_\_\_  
Than anybody against us  
They can say what they want \_\_\_\_\_  
Cause we'll be screaming out

We can be heroes \_\_\_\_\_ we go  
We can have all that we ever want  
Swinging \_\_\_\_\_ Ali, knocking out bodies  
Standing on \_\_\_\_\_ like a champion  
Keep your \_\_\_\_\_, give me that gold  
You will remember when I say  
We can be heroes everywhere we go  
Keeping us \_\_\_\_\_ is impossible  
Cause we're unstoppable

Oh woah, we're unstoppable  
Oh woah, we're unstoppable

They can say what they want now  
Cause we'll be screaming out

We \_\_\_\_\_ be heroes everywhere we go  
We can have all that we ever want  
Swinging like Ali, knocking \_\_\_\_\_ bodies  
Standing \_\_\_\_\_ top like a champion  
Keep your silver, give me that \_\_\_\_\_  
You will remember when I say  
We can be heroes everywhere we \_\_\_\_\_  
Keeping us down is \_\_\_\_\_  
We're unstoppable
