LIVEWORKSHEETS

III. Listen and fill in the blanks:

Just then, they passed several people. They were building a house with wood, but they were having a difficult time. "Father," Kofi asked, "many of our men have learned how to (1)_____with wood. Don't you think we should help them?"

Jelani called out, "Stop, everyone!" Jelani's advisors were soon teaching the others how to build a wood house. The people said, "You have helped us with this house, and now we can use these skills to build a whole village. One day, you will call on us, and we will return this (2) _____."

The last stop was Ada's village. But something seemed very wrong. Kofi and Jelani saw there were piles of wood and mud and rocks where houses had once been. Kofi found Ada. "We had a terrible (3)_____," Ada said. "Everyone's homes are (4)_____."
