

READING COMPREHENSION. DAILY ROUTINES

Hi! My name is Alex, and I'm 15 years old. I live in a small town, and every day is pretty much the same for me.

I usually wake up at 7:00 AM. I have breakfast with my family. I love eating cereal and drinking orange juice. After that, I get ready for school. I walk to school with my best friend, Sarah. We arrive at school at 8:15 AM, and classes start at 8:30 AM.

My favorite subjects are Math and English. I don't really like History, but I study hard because it's important. We have a break at 11:00 AM, and I usually eat a snack and chat with my friends.

School finishes at 2:00 PM. After school, I go home and have lunch with my family. Then, I do my homework. Sometimes, I play video games or watch TV if I finish my homework early.

In the evening, I usually help my mom with dinner. We eat together at 8:00 PM. After dinner, I spend some time reading or talking to my friends online. I go to bed at 10:30 PM, and I always try to sleep at least 8 hours.

That's my daily routine! What about you?

Read the text and choose the correct answer.

Alex usually wakes up at 7:00 AM.
True / False

Alex goes home for lunch after school.
True / False
