The Amazing Life of an English Teacher

I'm Selena, an English teacher at the Woodside Priory School. I was born in Sacramento, California on March 22nd 1991. My mother decided to call me Selena because of a popular song. I started school when I was 4 years old and I felt very happy during my classes. In 2003, when I was 12, I went to Laguna beach and saw the ocean for the first time. At the age of 18, I graduated from school and immediately started studying engineering at California University. Five years later I traveled to Peru and it was awesome! I loved the food in this country and all the activities I did there: surfing, sandboarding, visiting Machu Picchu, etc. In 2015 I graduated from California University and started working at Priory as a Spanish teacher. I never planned to become a teacher in my life, but I enjoyed working with kids, the reason why I finally became a teacher.
