Bon Jovi - Misunderstood

Listen to the song and fill the gaps with the modal verb you hear:
could, could have, should or *should have*

[1]_____ I... [2]_____ I have said the wrong things right a thousand times?
If I [3]_____ just rewind, I see it in my mind
If I [4]_____ turn back time, you'd still be mine

You cried, I died
I [5]_____ shut my mouth, things headed south
As the words slipped off my tongue, they sounded dumb
If this old heart [6]_____ talk, it'd say you're the one
I'm wasting time
When I think about it

I [7]_____ drove all night
I would have run all the lights, I was misunderstood
I stumbled like my words
Did the best I [8]_____, damn! Misunderstood

[9]_____ I... [10]_____ I apologize for sleeping on the couch that night?
Staying out too late with all my friends
You found me passed out in the yard again

You cried, I tried
To stretch the truth, but didn't lie
It's not so bad
You think about it

I [11]_____ drove all night
I would have run all the lights, I was misunderstood
I stumbled like my words
Did the best I [12]_____, damn! Misunderstood, intentions good

It's you and I, just think about it

I [13]_____ drove all night
I would have run all the lights
I was misunderstood
I stumbled like my words, did the best I [14]_____

I'm hanging outside your door
I've been here before, misunderstood
I stumbled like my words
Did the best I [15]_____, damn! Misunderstood, intentions good
