song: Beautiful things by Benson Boone

1 Choose the correct word.

For a while there, it was **tough/rough**
 But lately, I've been doin' better
 Than the **last/past** four cold Decembers
 I recall

And I see my family every month
 I **found/sound** a girl my parents love
 She'll come and **spend/stay** the night
 And I think I might have it all

And I thank God every day
 For the girl He **send/sent** my way
 But I **saw/know** the things He gives me
 He can take away

And I hold you every night
 And that's a feeling I **wanna/gonna** get used to
 But there's no man as **verified/terrified**
 As the man who stands to lose you
 Oh, I hope I **don't/won't** lose you
 Mm

2 Put the chorus in order.

—	I need you
—	Don't take
—	Oh, God
<u>1</u>	Please, stay
—	I want you
—	These beautiful things that I got

3 Choose the correct word.

I found my **sign/mind**, I'm feelin' sane
 It's been a while, but I'm finding my faith
 If everything's good and it's great
 Why do I **sit/stick** and wait 'til it's gone?

Oh, I'll tell ya, I know I've **got/not** enough
 I've got peace and I've got love
 But I'm up at **knight/night** thinkin'
 I just might lose it all

Chorus
