**III/ Read the passage and choose TRUE ( T ) or FALSE ( F )**

## A Week of Fun

Every week has seven days, and each day is different and exciting!

Monday is the start of the week. We wake up, eat a yummy breakfast, and get ready for a new adventure.

On Tuesday , we go to school and learn many interesting things. We study at school and have fun with our friends.

Wednesday is right in the middle of the week. It's a day to listen to music and enjoy some tunes that make us happy.

Thursday is when we continue our learning at school. We read stories, solve puzzles, and discover new things.

Finally, it's Friday ! The last day of the school week. We are happy because the weekend is coming, and we can have more time to play and relax.

Saturday and Sunday are the best days. We can sleep in a little bit and have special family time. On these days, we might go to the park, have a picnic, or play games together.

Every day of the week is special, and it's a mix of learning, fun, and family time!
