READING

Read the email. Match the phrases below to make sentences. Write the letter on the line.

Dear Lisa,

I like Hong Kong. My new job here is great! And I like my new apartment.

Last month was a good month. I went on vacation to San Francisco, and now I've have a new boyfriend! He's American. I met him in a seafood restaurant. He's a waiter. His name's Larry. He's going to come to Hong Kong next month!

I talk on the phone with Larry every day, and of course we write emails. He has a new digital camera, and I have a smartphone, so we email photos every day.

Do you want to see my photos from San Francisco? Do you want to see a photo of Larry?

How's your new job, Lisa? Are you happy in New York? Do you like working in the lab? Is it an interesting job?

Call me soon!

Amanda
