

## 8 Complete Josh's summer writing project with the Past Simple form of the verbs. Which three verbs are regular?

### My holiday by Josh

This summer we <sup>1</sup> had (have) a family holiday in Cornwall. We <sup>2</sup> stay (stay) with my cousins in a hostel near the beach. The weather is always great there. There's lots to do in Cornwall.

In the morning, we <sup>3</sup> go (go) swimming in the sea and I <sup>4</sup> try (try) surfing. In the afternoon, I <sup>5</sup> read (read) my book. I also <sup>6</sup> make (make) some new friends.

One day, we <sup>7</sup> visit (visit) Newquay and I <sup>8</sup> get (get) my own surfboard. I also <sup>9</sup> eat (eat) a tasty Cornish pasty (a traditional meat pie). Yum! What a great holiday!
