3 Read. Then choose *Right*, *Wrong*, or *Doesn't say*.

I believe that video games do not make people violent in real life. In fact, I think they can be helpful. People don't need to act out in violent ways. They can just play a video game. This is a safe way to release violent urges. People use video games to escape real life. They don't use them to learn.

- The writer believes that video games make people violent.
 - Right
 - Wrong
 - Doesn't say
- The writer believes people can play video games instead of acting violently.
