

Sukabink šeimos nuotraukas. Spragtelk ant rėmelio, išgirsks, ištark ir surask tinkamą nuotrauką.

The worksheet is set against a background of floral wallpaper with pink roses and green leaves. In the center is a brown sofa with two red and white striped cushions. Above the sofa, there are eight empty rounded rectangular boxes arranged in two rows of four. Each box has a different colored border: pink, blue, orange, light blue, brown, purple, olive green, and green. Above each box is a red speaker icon with sound waves. Below the sofa, there are eight circular photo frames, each with a different family member and a red speaker icon. The family members are: a man with brown hair, a woman with brown hair, a woman with blonde hair, an older woman with grey hair, a man with glasses, a man with brown hair, a man with blonde hair, and a woman with blonde hair. The goal is to click on the correct photo frame to hear a sound and then find the matching photo in the boxes above.
