Anya's School

Anya is a new student at Washington High School. She is in 9th grade, and is excited to explore the school. There is a big field and a bright garden. The students relax in the field during break time. On her first day, a friendly teacher named Mrs. Fritz helped Anya learn how to find her classes and introduced her to some students. Anya feels happy and enjoys learning. After a few classes, everyone went to the lunchroom to eat. In the afternoon, she had science and PE classes. Anya felt ready to learn more and was excited for tomorrow. After school, Anya likes to walk and listen to music in the park.
