1. Identifica en el mapa las regiones y departamentos de donde se obtienen los recursos naturales que están en el recuadro.

A map of Colombia is shown, divided into its regions and departments. Arrows point from various parts of the map to empty rectangular boxes for labeling. The boxes are distributed as follows:

- Top right: 1 box
- Top left: 1 box
- Center left: 1 box
- Center: 1 box
- Bottom left: 1 box
- Bottom center: 1 box
- Bottom right: 1 box
- Far right (vertical column): 6 boxes

Legend box (top right):

- Agua
- Petróleo
- Gas natural
- Esmeraldas
- Oro
- Orquídeas

Decorative elements: Purple tulips at the bottom left and bottom right corners.
