Hi Carl,

How are you? Guess what! I'm taking a karate class! I know you're crazy about karate too! My class is every Wednesday evening from 6.00 until 7.30. There are twelve other kids in my class: seven boys and five girls. Some of them are a bit shy, but the others are really outgoing. Our teacher, Mr Stevens, is very friendly. We have lots of fun. Karate is good exercise, so at the end of the class I'm always tired.

The bad news is that I can't go to my class this week. I have a physics exam on Thursday, so this week I'm studying in the evenings after school. But right now, I'm getting ready to go to the skatepark! There's a rollerblading competition today!

Bye for now,
Billy
