SMALL VILLAGE, BIG NAME!

1 Many places have got unusual names. In England, you can visit Dog Village in the south and World's End in the north! The name of one village in Scotland has only got two letters: Ae!

2 But one village in Wales has got a really difficult name:
 Llanfairpwllgwyngyllgogerychwyrndrobwl-llantysiliogogogoch! This is longer than all the place names in Europe.

3 This Welsh village is very old - people lived in the area about 10,000 years ago, and there were Romans in the village about 2,000 years ago.

4 The village didn't always have a long name. In the 1850s, its name was Llanfair, and it was a very quiet place. People in the village wanted more visitors, so they changed the name. They invented a more interesting new name, with 58 letters!

5 Today, 3,000 people live in the village, but thousands more tourists visit every year.

6 Many tourists photograph the sign at the train station. It's 14.5 metres long!
