## The Revolution breaks out

### 2. Order the events

<p>They <b>proclaimed themselves the National Assembly</b> (representatives of the nation). They pledge to <b>draft a constitution</b> that reflected the will of the majority of French people.</p>		<p>The Third Estate representatives insisted on <b>one vote per representative</b> (1 vote each person) rather than one vote per estate (1 vote each estate). Nobility and clergy refused.</p>	<p>The <b>people of Paris supported the Assembly's</b> proposals and, on <b>July 14</b>, they stormed (attacked) the Bastille.</p>
<p>Then, the <b>Third Estate</b> representatives <b>left</b> the meeting and met in a pavilion in Versailles (<i>Jeu de Paume</i>)</p>	<p>The <b>Estates-General</b> met in Versailles in May 1789.</p>	<p>Louis XVI was frightened and, in the autumn of 1789, <b>accepted the national Assembly</b>, which made France a <b>constitutional monarchy</b> and <b>ended the Ancient Régime</b>.</p>	<p>The <b>revolution spread</b> to the countryside, where nobles' homes were burnt (<b>the Great Fear</b>).</p>

### B. 1789. A REVOLUTION BREAKS OUT

## Phases of the Revolution

**Classify the events in each phase of the French Revolution**

Social laws	Louis XVI fled but was discovered	Implementation of liberalism and abolition of guilds
Parliamentary monarchy	Coup that guillotined jacobin leaders	Reign of terror
Louis XVI and Marie Antoinette are executed	Exiled people from the Reign of Terror begin to return	A Republic is declared
Wealth distribution to satisfy the demands of the <i>sans-culottes</i>	Declaration of Rights of Man and of Citizens	Census suffrage
Church property was expropriated	Cancellation of Jacobin laws	Directory and a new liberal and moderate constitution
Jacobins (radical bourgeoisie) and Robespierre rule the government	Girondins (moderate bourgeoisie) form an Assembly	Austrian Army enters France
Napoleon coup	Male suffrage	Restoration of census suffrage

Constitutional monarchy (1789-1792)	Social Republic (1792-1794)	Conservative Republic (1794-1799)
