

Listen to Track 46 on the DVD.

Questions

12. What is the lecture mainly about?
 - ☐ How dolphins produce the sounds they make
 - ☐ How dolphins teach their young to identify signature whistles
 - ☐ The professor's experience with dolphins on a research boat
 - ☐ Various ways dolphins communicate with one another
13. According to a theory the professor mentions, why do dolphins travel side by side?
 - ☐ To view each other's bubble streams
 - ☐ To hear each other's signature whistles
 - ☐ To avoid interfering with other dolphins' sonar clicks
 - ☐ To keep mothers close to their young
14. What does the professor imply about bubble streams?
 - ☐ They help protect dolphins from predators.
 - ☐ Their function is similar to that of signature whistles.
 - ☐ They do not appear to serve a communicative function.
 - ☐ Dolphins use them to sense the movement of the water.
15. Why does the professor mention the time she spent on a boat doing research?
 - ☐ To encourage students to do fieldwork
 - ☐ To inform students about a paper she wrote
 - ☐ To show how scientists collect data on marine life
 - ☐ To illustrate that dolphins are difficult to locate
16. Listen again to part of the lecture by playing Track 47. Then answer the question.

What does this example illustrate?

 - ☐ The differences between land and marine mammals
 - ☐ The importance of burst pulses as a way dolphins communicate
 - ☐ One reason dolphins travel in large groups
 - ☐ One way dolphins use signature whistles

Listen to Track 48 on the DVD.

Questions

17. Why does the student go to Professor Kirk's office?
 - ☐ To find out if he needs to take a certain class to graduate
 - ☐ To respond to Professor Kirk's invitation
 - ☐ To ask Professor Kirk to be his advisor
 - ☐ To ask Professor Kirk to sign a form
18. Why is the woman surprised at the man's request?
 - ☐ He has not tried to sign up for Introduction to Biology at the registrar's office.
 - ☐ He has waited until his senior year to take Introduction to Biology.
 - ☐ A journalism student should not need a biology class.
 - ☐ Professor Kirk no longer teaches Introduction to Biology.
19. What does the man say about his advisor?
 - ☐ She encouraged the man to take a science class.
 - ☐ She encouraged the man to major in journalism.
 - ☐ She is not aware of the man's problem.
 - ☐ She thinks very highly of Professor Kirk.
20. How will the man probably try to communicate his problem to Professor Kirk?
 - ☐ By calling her
 - ☐ By sending an email to her
 - ☐ By leaving her a note
 - ☐ By visiting her during office hours
21. Listen to Track 49 to answer the question.

Why does the man say this to the woman?

 - ☐ To thank the woman for solving his problem
 - ☐ To politely refuse the woman's suggestion
 - ☐ To explain why he needs the woman's help
 - ☐ To show that he understands that the woman is busy
