5. We do not do anything in tanjung benoa beach

Read this text and identify the orientation, series of event and re orientation below!

Orientation	Series of event	Re orientation

### Visiting Bali

*There were so many places to see in Bali that my friend decided to join the tours to see as much as possible. My friend stayed in Kuta on arrival. He spent the first three days swimming and surfing on Kuta beach.*

*He visited some tour agents and selected two tours. The first one was to Singaraja, the second was to Ubud. On the day of the tour, he was ready.*

*My friend and his group drove on through mountains. Singaraja is a city of about 90 thousands people. It is a busy but quiet town. The streets are lined with trees and there are many old Dutch houses. Then they returned very late in the evening to Kuta.*

*The second tour to Ubud was a very different tour. It was not to see the scenery but to see the art and the craft of the island.*

*The first stop was at Batubulan, a center of stone sculpture. The next stop was Celuk, a center for silversmiths and goldsmiths. After that, he stopped a little while for lunch at Sukawati and on to mass.*

**Now is your turn to make one a recount text based on your own idea, write using a canva with your cell phone!**
