

Listen to Track 50 on the DVD. 

Astronomy

Questions

22. What is the lecture mainly about?
- ☐ Various theories explaining why Mars cannot sustain life
 - ☐ Various causes of geological changes on Mars
 - ☐ The development of views about the nature of Mars
 - ☐ Why it has been difficult to obtain information about Mars
23. According to the professor, what was concluded about Mars after the first spacecraft flew by it in 1965?
- ☐ It had few geological features of interest.
 - ☐ It was similar to Earth but colder.
 - ☐ It had at one time supported life.
 - ☐ It had water under its surface.
24. What does the professor imply about conditions on Mars billions of years ago? Choose 2 answers.
- ☐ Mars was probably even drier than it is today.
 - ☐ The atmospheric pressure and the temperature may have been higher than they are today.
 - ☐ Mars was inhabited by organisms that have since become fossilized.
 - ☐ Large floods were shaping the planet's surface.
25. What is the possible significance of the gullies found on Mars in recent years?
- ☐ They may indicate current volcanic activity on Mars.
 - ☐ They may indicate that the surface of Mars is becoming increasingly drier.
 - ☐ They may indicate the current existence of water on Mars.
 - ☐ They may hold fossils of organisms that once existed on Mars.
26. Listen to Track 51 to answer the question. 
- Why does the professor say this?
- ☐ To stress that Mars is no longer interesting to explore
 - ☐ To describe items that the spacecraft brought back from Mars
 - ☐ To share his interest in the study of fossils
 - ☐ To show how much the view of Mars changed based on new evidence

27. Listen again to part of the lecture by playing Track 52. 
- Then answer the question.

- Why does the student say this?
- ☐ To ask for clarification of a previous statement
 - ☐ To convey his opinion
 - ☐ To rephrase an earlier question
 - ☐ To express his approval

Listen to Track 53 on the DVD. 

Art History Colossal Statues

Questions

28. What does the professor mainly discuss?
- ☐ The design and creation of the Statue of Liberty
 - ☐ The creators of two colossal statues in the United States
 - ☐ The purpose and symbolism of colossal statues
 - ☐ The cost of colossal statues in ancient versus modern times
29. What evidence does the professor give that supports the idea that modern-day colossal statues are valued social and political symbols?
- ☐ They are very costly to build.
 - ☐ They are studied in classrooms around the world.
 - ☐ They are designed to last for thousands of years.
 - ☐ They are inspired by great poetry.
30. According to the professor, what was one result of the Great Depression of the 1930s?
- ☐ International alliances eroded.
 - ☐ Immigration to the United States increased.
 - ☐ The public experienced a loss of confidence.
 - ☐ The government could no longer provide funds for the arts.
31. According to the professor, why did the state of South Dakota originally want to create a colossal monument?
- ☐ To generate income from tourism
 - ☐ To symbolize the unity of society
 - ☐ To commemorate the Great Depression
 - ☐ To honor United States Presidents
32. Why does the professor discuss the poem by Emma Lazarus?
- ☐ To emphasize the close relationship between literature and sculpture
 - ☐ To illustrate how the meaning associated with a monument can change
 - ☐ To stress the importance of the friendship between France and the United States
 - ☐ To point out a difference between Mount Rushmore and the Statue of Liberty
33. Listen again to part of the lecture by playing Track 54. 
- Then answer the question.
- What does the professor imply about the poem by Emma Lazarus?
- ☐ It is one of his favorite poems.
 - ☐ Few people have read the entire poem.
 - ☐ He does not need to recite the full text of the poem.
 - ☐ Lazarus was not able to complete the poem.
