

The page is framed by a decorative border featuring several cartoon children and various mathematical symbols. In the top left, a girl in a pink dress holds a blue plus sign. In the top right, a boy in a green shirt sits with a yellow bar. On the left side, a boy in a yellow shirt holds a yellow infinity symbol. On the right side, a girl in a blue shirt holds a pink sigma symbol. At the bottom left, a girl in a blue dress holds a yellow plus sign. At the bottom center, a boy with glasses holds two green arrows. At the bottom right, a boy in a yellow shirt waves. Scattered throughout the border are various math symbols: a yellow checkmark, a pink infinity symbol, a blue minus sign, a yellow hexagon, a blue zigzag, a green zigzag, a green triangle, a blue diamond, a green pi symbol, a green hexagon, a pink circle, a pink bar, and a blue plus sign.
