Ben Thanh market is in the middle of Ho Chi Minh City. It's over one hundred years old, so it's very old. In 1912, there weren't any cars or motorcycles. It was easy to go to the market on foot or by bike.

Now, people usually go there by car or by motorcycle. You can also catch a bus there because there is a bus station. People don't usually go on foot because there is a lot of traffic on the streets.

You can find lots of things inside the market like food, gifts, and clothes. People who live in Ho Chi Minh City and visitors love shopping there.

Ex 4: Write **was**, **wasn't**, **were**, or **weren't**.

In the past, there <sup>1</sup>\_\_\_\_\_ a shopping mall in this town, but there <sup>2</sup>\_\_\_\_\_ lots of small stores. There <sup>3</sup>\_\_\_\_\_ a park in the middle of the town. The park was clean because there <sup>4</sup>\_\_\_\_\_ any litter. There <sup>5</sup>\_\_\_\_\_ a lovely big lake with boats. There <sup>6</sup>\_\_\_\_\_ always lots of children there, because children love boats! Of course, there <sup>7</sup>\_\_\_\_\_ any cars in the park, so it was a safe place to play.
