LAST NIGHT

liquor

Last night, we let the _____ talk
I can't remember everything we said, but we said it all
You told me that you wish I was somebody you never _____
But, baby, baby, something's tellin' me this ain't over _____

met

yet

No way it was our last night I kissed your lips
Make you grip the sheets with your fingertips
Last bottle of Jack, we _____ a fifth

split

Just talkin' 'bout life, goin' sip for sip

Yeah, you, you know you love to fight
And I say shit I don't _____
But I'm still gon' wake up wantin' you and me

I know that last night, we let the liquor talk
I can't _____ everything we said, but we said it all
You told me that _____ wish I was somebody you never met
But, baby, baby, something's tellin' me this ain't over yet
No way it was our last _____ (Last night)
No way it was our last night (Last night)

No way it was the last night that we break up
I see your tail lights in the dust
You call your mama, I call your bluff
In the middle of the night, pull it right back up

Yeah, my, my friends say, "Let her go"
Your friends say, "What the hell?"

mean

remember

you

night
