## READ, THEN WRITE AND MATCH.

Dear Tilly,

I'm at the beach. Can you see the sea? It's blue. Can you see the sun? It's yellow. There's a fish in the sea. It's red. There's a sandcastle. There are some shells on the beach, too. This is my favourite shell. It's white. I can swim in the sea. I can run on the sand.

Charlie
