- The words in the second list are from the same set of words (for example: *food, toys, colours, feelings, adjectives that describe situations, activities, etc*).
- Remember that in the second list, the words you hear are sometimes not the same as the words you read. For example, you might not hear the word *funny* but, instead, you may hear: *(it made me) laugh*.
- During the first listening, find out what the conversation is about and choose the best answer for each question.
- Listen to the conversation again and check all your answers carefully.
- Finally, in case you do not know for sure what the correct answer is (in any part of the test), make sure you write an answer anyway.
