Reading and Use of English • Part 4

Action plan

- 1 Read the instructions and the example.
- 2 Read the first sentence, think about it and concentrate on the meaning.
- 3 Decide what kind of word the key word is and what often follows it. You must never change the key word.
- 4 Use words from the first sentence if you can, or change the form of them to help you (e.g. a noun to an adjective; affirmative to negative, etc.). Do not change words unnecessarily.

Follow the exam instructions, using the advice to help you.

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **two** and **five** words, including the word given. Here is an example (0).

- *no* is used to make a phrase with *left* – *no places left* means the same as 'full'
