Time flies

The expression "Time flies when you're having fun" means that when you're enjoying yourself, time seems to pass very quickly.

For example, when you're on vacation in **1** country and everything is new and exciting, you may be surprised by how fast your

vacation ends **2** , time itself did not really start moving faster during your vacation,

3 you feel that you only left your house

yesterday **4** , a bus ride may feel much longer than it actually is. When you are sitting on a bus for hours and everyone around you **5** minutes can feel like hours.
