There are days

I wake up and I pinch _____

You're with me, not someone else

And I'm scared, yeah, I'm still scared

That it's all a _____

'Cause _____ still look perfect as days go by

Even the worst ones, you make me smile

I'd stop the world if it gave ____ time

'Cause when you love someone

You open up _____ heart

When you love someone

You make room

If you love someone

And you're not afraid to lose _____

You probably never loved someone like I do

You probably never loved someone like I do

_____ you say

You love the way I make you feel

Everything becomes so real

_____ be scared, no, don't be scared

'Cause you're all I need

And you still look perfect as _____ go by

Even the worst ones, you make me smile

I'd stop the world if it gave us time

'Cause when you love someone

You open up your heart

When you love someone

You _____ room

If you love someone

And you're not afraid to lose 'em

You probably never loved someone like I do

You probably never loved someone like I do

All my ____

I thought it'd be hard to find

The one 'til I found you

And I find it bittersweet

'Cause you gave ____ something to lose

But when you love someone
You open up your heart
When you love someone
You make room
If you love someone
And you're not afraid to lose 'em
You probably never loved someone like I do
You probably never loved someone like I do
You probably never loved someone like I do
