Santa's Blog

24th November 20XX

Hi everybody!

There are only four weeks until Christmas! Are you excited ? I am! At Christmas House we are very busy. Here are some photos.

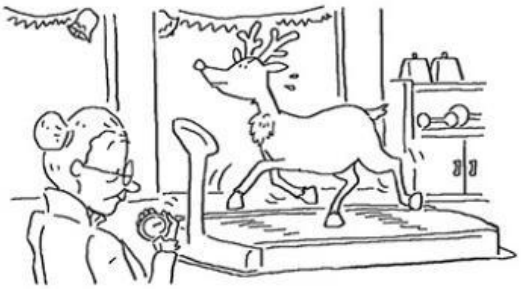

This is Elvin, one of my elves. He works in the mail room. He reads a lot of letters every day. He is very hard-working. He is also tidy. He puts all the letters into boxes for me — one box is from good children and the other box is from naughty children.

This is the wrapping room. Elves wrap presents in wrapping paper here. Oh dear! It is very untidy. Some of the elves don't put things away.

Here is Rudi, one of my reindeer. On Christmas Eve the reindeer fly all around the world. They get very tired. Mrs Santa is training them to make them strong. She also feeds them carrots and Christmas cakes every day. She helps me a lot.

I hope you like these pictures.
