Tanya and Jasmine meet a genie

Characters: Tanya, Jasmine, Joe (a genie)

At Grandma's house

Tanya : Look at this old bottle. Oh! There's something inside.

Jasmine : Open it!

Poof! A genie comes out of the bottle.

Joe : Hello, girls! My name's Joe. I'm a genie. Thank you for opening the bottle.

Tanya : You're welcome. Where do you live, Joe?

Joe : I live in this bottle. It's very small.

Jasmine : We have a book about genies at school. Do you go to school?

Joe : Yes, I do.

Tanya : How do you go to school?

Joe : I go by flying carpet, of course!

Jasmine : We go to school by minibus. I think a flying carpet is better!

Joe : At school my favourite lesson is magic.

Tanya : Wow! Can you show us?

Joe : Of course. Abracadabra! Here are some cakes.

Tanya : These cakes are great. Oh, I'm thirsty too.

Joe : Abracadabra! Let's all drink this juice!

Tanya : You're brilliant.

Joe : Thanks. I can do everything!

Jasmine : I'm not hungry or thirsty. I must do my Maths homework. Can you help me, Joe?

Joe : I can't do sums, sorry. I'm tired now. Bye!
