

Someday We'll Know

by New Radicals

Listen to the song. Then put the lines in the right order.

1. Who holds the stars up in the sky?
2. Can't stop driving
3. Did the captain of the Titanic cry?
4. So many questions
5. Two years later you're still on my mind
6. Ninety miles outside Chicago
7. I need an answer
8. Whatever happened to Amelia Earhart?
9. Is true love once in a lifetime?
10. I don't know why
11. Why the sky is blue
12. Someday we'll know
13. Why I wasn't meant for you
14. Someday we'll know
15. Someday we'll know
16. If love can move a mountain

Someday We'll Know

by New Radicals

1. Or what the wind says when she cries?
2. Does anybody know the way to Atlantis?
3. For the ninety seventh time tonight
4. I'm speeding by the place that I met you

5. **Someday we'll know**
6. **Why the sky is blue**
7. **If love can move a mountain**
8. **Someday we'll know**
9. **Why I wasn't meant for you**

10. **Someday we'll know**
11. Dancing on the moon
12. One day I'll go
13. Someday we'll know
14. Why Samson loved Delilah
15. That I was the one for you
16. Someday you'll know

Someday We'll Know

by New Radicals

1. Why are'nt you here with me tonight?
2. I watched the stars crash in the sea
3. If I could ask God just one question
4. I bought a ticket to the end of the rainbow
5. **Why the sky is blue**
6. **Why I wasn't meant for you**
7. **Someday we'll know**
8. **If love can move a mountain**
9. **Someday we'll know**
10. **Someday we'll know**
11. Why Samson loved Delilah
12. That I was the one for you
13. Someday we'll know
14. Someday you'll know
15. Dancing on the moon
16. One day I'll go
