Just to get close to you
Can we burn something, babe?
And I_____ run for miles just to get a taste
Must be love on the brain
That's got me feeling this way (feeling this way)
It beats me black and blue but it fucks me so good
And I can't get enough

I don't wanna tiptoe, but I don't wanna hide
But I don't wanna feed this monstrous fire
Just wanna let this story die
And I_____ be alright

But I'd like to just pretend
You cling to your papers and pens
Wait until you like me again

So when I'm all choked up
And I can't find the words
Every time we say goodbye
Baby, it hurts
When the sun goes down
And the band _____ play

When you look at me
And the whole world fades
I____ always remember us this way
