

Love Is an Open Door

All my life has been a series of in my face
And then suddenly I into you

I've been my whole life find my own place
And maybe it's the party or the chocolate fondue

But with you, I found my place
I see your face
And it's nothing like I've ever known before

Love is an open door
Love is an open door
Love is an open door
With you!
With you!
With you!
With you!
Love is an open door

I mean it's crazy
What?
We finish each other's
Sandwiches!
That's what I was gonna say
I've never someone
Who so much like me
Jinx, jinx again
Our synchronization
Can have but one explanation
You
And I

Were
Just
Meant to be

Say goodbye

Say

To the of the

We don't have to it anymore

Love is an door

is an open door

can be so much more!

With you!

With you!

With you!

With !

Love is an open door

Can I say something crazy? Will you marry me?

Can I say something even crazier? Yes.

Love is an

Love is open

door!
