**Part A: Read the story.**

Hello! My name is Peter and this is my house. My house is big. It has two floors - the first floor and the second floor. It also has an attic and a basement.

On the first floor, there are two living rooms, a kitchen, a big dining room and a toilet.

On the second floor, there are three bedrooms, and one bathroom. My bedroom is between my parents' bedroom and the bathroom. My sister's bedroom is next to the bathroom.

I love my bedroom, but I also like the attic. In the attic, I keep some of my books and my old toys. I like to spend my time there because it is very spacious and there is a big sofa where I sometimes take a nap.

In the basement is where we keep the washing machines, and old stuffs.

At the back of the house there is also the garage, where my parents park the family car, and a lovely garden, with many green spaces, flowers, two swings and a small swimming-pool.

I love my house! It's a big and comfortable house.
