Research a rapper!

Choose one of the artists from the "Introduction to Hiphop" pages to research in detail.

Include details such as:

What's their real name?

Where and when were they born/grew up?

What type of musical education did they have, if any?

Who were their influences?

LIVEWORKSHEETS

If they have a stage name, why did they choose it?

What are their biggest hits?

What themes do they explore in their songs?

Have they collaborated with other artists?

What awards have they won, if any?

Have they had careers outside of the music industry? If so, what and how successful were they?

Other interesting facts?
