

LET'S PRACTICE THE THIRD CONDITIONAL!

THE TITANIC

1) Choose the correct answer.

a) If the crew had received the iceberg warning earlier, they **would had avoided / would have avoided** the iceberg.

b) If the ship had been going slower, it **would have stopped / would stopped** before hitting the iceberg.

c) If the passengers had known the ship was sinking, they **would have got / would had got** into the lifeboats sooner.

d) If there had been more lifeboats, more people **would had survived / would have survived** the disaster.

e) If they had asked for help earlier, more ships **would have come / had came** to save them.

f) If the captain had changed the ship's course, they **would have miss / would have missed** the iceberg.

g) If the water temperature hadn't been so cold, more passengers **would survive / would have survived** after the ship sank.

h) If the Titanic had been equipped with better safety measures, it **would have been / had been** a much safer voyage.

2) Match the halves.

Part 1:

- 1) If Rose hadn't been on the ship, _____.
- 2) If the ship had been made stronger, _____.
- 3) If the captain had changed the ship's course, _____.
- 4) If the passengers had got into the lifeboats earlier, _____.
- 5) If the crew had seen the iceberg sooner, _____.

Part 2:

- a. they would have turned the ship in time
- b. he would have avoided the iceberg
- c. it wouldn't have sunk so quickly
- d. they would have survived
- e. she wouldn't have met Jack.
