Match choices A-H to the texts 1-5. There are three choices you do not need to use.

Easy ways to learn English

Here, we suggest some easy ways to learn English at home, at school or on the move. Why not try them today?

1

Scrabble is a classic board game in which players create words in a crossword fashion. It's a fantastic way to make your English vocabulary stronger. Playing Scrabble challenges you to really think in English as you try to create different words using your set of letters. Invite your classmates to play with you or play Scrabble online.

2

Songs almost always contain a lot of useful vocabulary. The language used in songs is informal and up-to-date. Music also has an incredible ability to stick in our heads, so this can help you to remember your new English words.

3

To learn new English words, it's important to keep using them. When you write the new words down, try to use them in three different sentences. Then, say them out loud. The repetition will help you to remember the words better.

4

Join online English forums. The key here is to join forums for subjects that you are interested in - that way, your motivation for learning English will improve because you'll want to take part in them. So, whether it's photography or cooking, discuss your passion with other like-minded people in English.

5

One of the most effective and easiest ways to learn English is to surround yourself with the language. Find an English-speaking radio station, watch English-language movies or TV shows. When you go to an English-speaking country, listen to conversations in restaurants, at airports or in shops and try to pick up everyday language. The good thing is that with modern technology and apps, this can be done practically anywhere.
