

## Lexical knowledge (Band III List A revision)

Below are six questions 1 to 6. In each question there are six items (words or chunks) and three definitions. In each question, match three of the items to their definitions on the right. Write the number of the item next to its definition, as shown in the example.

Example

- |               |                                                 |
|---------------|-------------------------------------------------|
| 1. A calendar |                                                 |
| 2. A season   |                                                 |
| 3. An island  | _4_ cars, buses and trucks moving along a road  |
