YouTube gurus

Making YouTube videos is no longer a hobby for some, but a lucrative way of earning money. Some make \$100 a month, but there are other YouTube gurus that can earn tens of thousands dollars. The most popular channels are beauty lessons and shopping hauls (showing what you've bought on a recent shopping trip). Here are a few tips from some of the most popular gurus on how to be successful on YouTube:

- 1 You **have to** / **don't have to** have a unique idea – something that others haven't done yet.
- 2 You **don't have to** / **mustn't** always say good things about the products you talk about. It's good to give both positive and negative opinions.
- 3 You **mustn't** / **don't have to** say negative things about other YouTube gurus.

- 4 You **must / mustn't** get discouraged if you don't get many views. It takes time to build up a fan base.
- 5 You **have to / don't have to** make and upload videos on a regular basis to keep your viewers coming back.
- 6 You **mustn't / don't have to** reply to every single comment, but it's good to reply to a few to show that you're interested in what your viewers have to say.

4 Complete sentence b so that it has a similar meaning to sentence a. In each sentence use *have to, don't have to, must, or mustn't*.
