B1: YOU ARE READY TO DO A PERFECT MEDIATION!!!

Teacher Del, EOI San Vicente

Mediation task B1. You're going to work in pairs, as **science teachers**. Your **13-year students are going to the chemistry lab for the first time** and your task is to **tell them how to behave in a lab**.

Teacher A is going to prepare a short message (2 minutes max.) regarding the **DO'S in a lab** and **Teacher B** about the **DON'TS in a lab**. When you're ready, record a joint audio (4 minutes max.)

Remember:
Teacher A should also be in charge of the **initial greeting and the introduction to the topic** (safety rules in the chemistry lab)
Teacher B should also be in charge of the **wrapping up and the final greeting**.
