ARRASTRA Y COLOCA LA FIGURA QUE
CORRESPONDE A CADA SERIE

¿QUÉ FIGURA CONTINÚA?

MARCA la figura que continúa:

1

Series of shapes: A square with a diagonal line from top-left to bottom-right, an empty square, a triangle with a diagonal line from top-left to bottom-right, and an empty square.

Options:

- a) Triangle
- b) Square with a diagonal line from top-left to bottom-right
- c) Triangle with a vertical line from top to bottom
- d) Square with a diagonal line from top-left to bottom-right
- e) Empty square

2

Series of shapes: A triangle with a dot at the top-left corner, an inverted triangle with a dot at the top-left corner, a triangle with a dot at the top-right corner, and an empty square.

Options:

- a) Triangle with a dot at the top-left corner
- b) Triangle with a dot at the top-right corner
- c) Triangle with a dot at the bottom-left corner
- d) Triangle with a dot at the bottom-right corner
- e) Triangle with a dot at the top-left corner

3

Series of shapes: A circle with a horizontal line, a circle with a vertical line, a circle with a cross, and an empty square.

Options:

- a) Circle with a horizontal line
- b) Circle with a vertical line
- c) Circle with a cross
- d) Circle with a cross and a diagonal line
- e) Circle with a diagonal line
