Maggie from the US

- 1 It was in February when I went to New York City.
- 2 I was with my family, and it was my sister's birthday. She wanted to see a Broadway show, and my favorite actor, Nick Jonas, was the star. So my dad got tickets and organized a surprise meeting with Nick after the show.
- 3 I felt pretty. I wore a black dress and a red coat and warm, black boots.
- 4 It was a cold and cloudy night.
- 5 After the show, many people were at the side door. Then a theater worker opened the door and Nick Jonas came out! We were really excited because he spoke to us and said happy birthday to my sister! We took some pictures with Nick, and then he left.
- 6 We went back to our hotel at 11 p.m.
- 7 It was an amazing evening! I saw a great show and met my favorite actor. And my sister had a memorable birthday.
