

Pablo and María

María: Hi, Pablo! What is happening in your house right now?

Pablo: Hello, María! I am playing video games with my cousin. I am trying to win him because he is good at video games. I am getting angry because I don't like to lose. My mother is cooking in the kitchen with my father and my sister is combing her hair in her room. My dog is digging dirt in the yard and my uncle is trying to repair a pipe in the bathroom.

María: Oh! That is interesting!
