

FAIRY TALE LISTENING

Listen and choose the correct words..

Once upon a time there was a **princess** / **queen** who lived in a castle. One day she saw a winged **dragon** / **horse** in the garden. "Let's fly!" said the horse.

The princess was **sad** / **surprised** but she rode the horse around the castle. She saw a rainbow and beautiful birds in the sky.

The princess and the horse went back to the **forest** / **garden**. "That was wonderful," said the princess. "Thank you!" "Can you give me a kiss?" asked the horse. "All right." said the princess and she kissed the horse on the nose.

The horse turned into a handsome **king** / **prince**. The prince and princess fell in love and they got married. They lived happily ever after.

THE END
