III. Read the text. Circle the correct letter.

Hello, everyone. My name's Niko. I love school because school is really fun. My friends and I learn a lot of things at school. We have math every day. This is Mai's favorite subject. She likes it because she likes numbers. Tom doesn't like numbers. He likes animals and plants. That's why he loves science. He sometimes reads stories about space in this class, too.

I don't really like science. I love I.T. To me, I.T. is so interesting. I always use computers in I.T. class. My I.T. class starts at a quarter to nine in the morning. After that, my science class starts at half past nine. Next, my math class starts at five past ten. At school, we usually have lunch at a quarter past eleven, and then, we will have a nap at twelve o'clock.

Example: Why does Niko love school?

a. Because he loves his friends.
b. Because school is fun.
c. Because the teachers are friendly.

1. Which subject does Mai like?
   a. She likes math.
