Good afternoon ladies and gentlemen. On behalf of Delta Airlines, it is my pleasure to welcome you aboard **flight** 1234 with service to New York City and continuing service to Washington DC. Federal regulations require that **carry-on** \_\_\_\_\_ are stowed prior to closing the \_\_\_\_\_ **door**. Your items may be placed in an overhead compartment, or completely under the seat in front of you. Use caution when placing items in or removing them from the overhead compartment, and let us know if we may assist you. In order to expedite the boarding process, please be seated as quickly as possible after stowing your carry-on items.

Take a moment to review the "**safety** \_\_\_\_\_ **card**" in your seat pocket. Passengers seated in rows 10 and 11 are also asked to review the **exit** \_\_\_\_\_ seating requirements. If you are seated in an exit row, you may be required to assist the \_\_\_\_\_ in an \_\_\_\_\_. If you are unable or unwilling to perform the functions described on the card, just ask to be re-seated.

Thank you for your attention and cooperation.
