

1. Listen and order.

And are there any gorillas in Europe?

My favourite animals are gorillas.

Oh, yeah. Gorillas are great.

But, do you know, gorillas are endangered animals – there aren't many wild gorillas in the world.

Oh, that's sad.

Then let's make this our next mission!

Yes. To the rescue of endangered gorillas! Here we come!

There are some gorillas in Africa. But there aren't any gorillas in Asia.

No, there aren't.
