

Where is the science lab?

ESSENTIAL QUESTION

How does a video help you understand spoken language?

FARDUK Oh, hello! This is a big school. **I need to find** the library. See you later!

MARTINA Hi, Lin. **Where is** the science lab?

LIN Oh, hi, Martina. **It's on the first floor.**

LIN OK. The library is **on the second floor.**

MARTINA I'm sorry. **I need to go** to the science lab.

LIN Oh, yeah... OK. We are here... on the first floor. **Down the hallway to the right** is the nurse's office. Mrs. Kim is the nurse.

LIN The cafeteria is **to the left**. The buses are **outside, next to** the cafeteria.

MARTINA Lin, I need to go to the science lab.

LIN **Where are** the buses?

MARTINA **They are** outside, next to the cafeteria. But where is the science lab?

LIN OK... down the hallway... to the left is the science lab.

THEO Hey! How's it going?

MARTINA Not well. I need to find the science lab.

MARTINA Thank you!

THEO See you in class, Lin!

FARDUK This is the library. It's on the second floor.

What about your school? Is the library on the second floor?
